

October 3rd - Zoom Meeting

Meeting called to order at 7:39pm (PST)

Welcome - Tiffany

- Shoutout to Tiffany for surviving the first week
- Shoutout to Kaitlyn for getting Employment Edge done
- Shoutout to Danielle for the Rocky Review looking awesome
- Meeting Etiquette
 - When we aren't talking we're on mute so that the background noise isn't distracting
 - We need to remove distractions as much as possible
 - If these things become an issue more than once you may be asked to leave for that meeting

Officer Reports

- Vice President of Communication - Danielle
 - A reminder that Rocky Review are due October 21st
 - 100% in all three of my classes even though the teachers are being obnoxious
- Northern District Executive
 - Tiffany's chapter is having a snag with her college project in terms of names for the project and the backings behind those names. Had three new members come to their first chapter meeting. One officer sadly resigned but one new officer was added.
- Eastern District Executive - Elizabeth
 - Tomorrow Beta Sigma Pi is doing their informal induction in a different way than they used to. They are looking for a new lead advisor. Chapter President stepped down but another officer is primed for the position.
 - District email will be going out today
- Southern District Executive - Kaitlyn
 - At Slick, nobody is going to fall conference but they will be meeting with Kaitlyn. She plans to attempt to get them pumped for PTK.

- Kaitlyn's chapter did her monthly service project. They are presenting their information for HiA next week in a forum setting. They are also arguing over her College Project still but will work through it.
- Western District Executive - Jesika
 - She started her Competitive Edge and has one star already.
 - District email was sent to Michelle for approval
 - Her chapter held a HiA meeting. Her chapter is also unable to make it to the fall conference.
 - She'd like to create an officer training and share it with her colleges nearby.
 - The team is concerned that this may discourage chapters from attending the fall conference
 - Also, note to talk to Michelle and see if this constitutes as a regional event

Service Project Discussion

- Michelle believes the point system will be too complicated.
 - Is there a way to make the point system easier?
 - Change it to have everything as two points and coats and footwear as five points

- Let's think about what we want the video to look like
