Meeting called to order at 7:36 (PST)

Welcome - Tiffany

- Shoutout to Kaitlyn for coming back online

Officer Reports

- Vice President of Communication - Danielle
 - A reminder that Rocky Review Submissions are due November 21st.
 - My last day at work is November 17th and then I start work at MHCC at the Diversity and Inclusion Center. I may also be doing part-time math tutoring next term.
- Northern District Executive
 - Honors in Action is well on its way and the College Project at MHCC is almost complete. Rho Theta decided to entice one of the new advisors as their individual award. They will also be hosting a Founders Day Celebration.
 - Tiffany's chapter has a full executive cabinet. They had their pumpkin dump fundraiser, they raised \$324. They are still working on College Project and Honors in Action but they are very motivated. Their ASG and Business Director have reached out to help with their service project.
- Eastern District Executive - Elizabeth
 - Elizabeth is not here to give her notes.
- Southern District Executive - Kaitlyn
 - Kaitlyn heard from the other chapter in her region but received some negative feedback from the chapter. However, they were able to confirm they will be trying to meet.
 - At UVU, their HiA is complete and their College Project is rolling. They are changing advisors soon. They already have 200 items from their clothing drive. UVU will be hosting a movie night and a game night later this month.

- Western District Executive - Jesika
 - She has been having a conversation with the President at Kalamath. They have been asking about Spring COonverence and Catalyst 2020 so hopefully, they will be able to attend.
 - Jesika's chapter had an orientation where a few members attended. They have also begun chatting about Catalyst prices and how they'd like to take.

Status Updates

- Bylaws
 - The bylaws will be sent out to the region soon.
 - The alumni association has met about their bylaws as well and requested a copy of the regional bylaws.
- Five Star Competitive Edge
 - Danielle and Kaitlyn have completed five star
 - Tiffany and Jesika have both started the competitive edge process
- Left Over Ideas from Training
 - Create a chapter calendar where people can post and view other chapter events
 - Unsure how this would be possible
 - The calendar in the Rocky Review seems sufficient
 - Create workshop videos so the region can access them remotely
 - Perhaps something to revisit after Hallmark Season
 - Create a google form where chapters can submit information about the things amazing that they do
 - Chapter Superheroes is sufficient at the moment
 - Perhaps create one for Chapter Highlight?
 - Five Star Poster available as a gift to chapters
 - Still waiting for Blakes response
 - "Do you know which district you're in?" on the website
 - Perhaps a poll on Facebook? Instagram Story?
